

## **6.6 APPEARANCE/DRESS CODES**

Grandview Christian School has a dress code. All students who attend the school, as well as faculty and staff, will be required to dress with cleanliness, neatness, and modesty as becomes a Christian. While a number of good things happen at Grandview Christian School, we are, first and foremost, a learning community. Everything we do should encourage learning: the appearance of both staff and students is no exception. Dress Code is intended to help avoid the attitude regarding outward appearance that has saturated our culture. We do not believe that God's requirement of His people is uniformity. We do, however, understand that appearance influences conduct and conduct influences learning, and learning is at the core of our mission.
